Homework Week 4 Term 4 Due Wednesday November 5th

Students are to complete the compulsory activities from the shaded box and at least 2 of the optional activities in your homework book. Remember to keep each answer neat and separate by using headings and dates.

Compulsory Activities:

**READ** a book alone or with a family member 5 times a week for 20 minutes. Record as specified by your teacher each day.

**Spelling:** metaphor, onomatopoeia, eponym, exposition, Labor, Goldstein, preferential, scrutineer, absolute, citizen.

**Humanities:**
- Last week you participated in a “mock” election. You were asked to vote on an issue, your votes were counted, the results were tallied and a winner was announced.
- This method of voting was called the “Preferential Voting System” your homework task is to hold your own “mock” election on an issue of your choice.
- You will need to ask at least 20 people to vote in your election for a workable result to be achieved. Ask your family, friends, neighbours, teachers, etc.
- Please collect your ballot papers and submit these with your homework.

*Remember: the winner of an election in Australia must win with 50% + 1 of the vote.*

**Math:**
Using the results of your election, convert all the votes into percentages. E.g. if 5 out of 20 people voted for Cornflakes for breakfast that makes 25%. You can choose to either display these results in your table or write them up separately in your books.
